

InfoEd Subcontract and Subproject Numbering Scheme

Use the following numbering scheme when the system asks you to provide a Consortium/Subcontract number or a Subproject number.

<u>Record Type</u>	<u>Log Number Prefix</u>	<u>Log Number</u>	<u>Log Number Suffix</u>
Consortium/Subcontract	“SC”	Use the number for the main proposal record	“-1” (for the first subcontract), “2” for the second subcontract), etc.
Subproject	“SP”	Use the number for the main proposal record	“-1” (for first subproject), “2” (for second subproject), etc.
